Our implementations utilize tools and methodologies that have a proven track record and you will be joining the most experienced team members in the industry.

The role you play

- Must have MEDITECH implementation experience as a project or program manager
- Minimum 5 years of MEDITECH experience
- Must have strong clinical and project management experience
- Prior successful completion of MEDITECH Expanse Project
- Strong communication skills, both verbal and written
- Client-facing skills are paramount, including the ability to communicate technical information to IT and non-IT team members
- Ability to work independently and collaboratively in a matrix-management model
- Functions with oversight provided by assigned Engagement Executive(s)
- Experience with tools of the trade, e.g. MEDITECH tools, desktop tools, MS Project, Visio, MS Office suite and other desktop tools

What we're looking for

We expect:

- Responsible for providing professional, effective, and consistent delivery of Tegria's consulting services on all assignments
- Embraces MEDITECH and Tegria's project management methodology and assists clients in their utilization, implementation and/or upgrade of the MEDITECH solutions.
- Continually strives to improve knowledge and expertise of MEDITECH solutions and products
- Understands and can apply operations/business requirements, current and future in client's design and implementation of the MEDITECH solution and advises clients as such
- Performs assessments, professional deliverables, workflow redesign and current/future state
- Provides feedback and identifies opportunities for continuous improvement
- Proactively manages engagement and client communication
- Enhances the consistency and quality of Tegria's service line(s) or project engagement(s) by assisting, sharing, and leveraging Tegria peers, resources, and clients
- Helps to foster and preserve the unique Tegria relationship with MEDITECH, and clients

Now, a little about us ...

Tegria is founded on the principle of positive change for transformative healthcare. Fulfilling that mandate requires the right combination of new ideas and passionate people who can translate those ideas into real-world solutions. That combination is at the heart of our vision.

We know we need next-generation technology, but just as much, we need people who know healthcare, are great to work with, and can see both the forest and the trees – so that all that next-generation technology is well-chosen, well-applied, well-managed, and well received by healthcare consumers.

Tegria helps health care organizations of all sizes accelerate technological, clinical and operational advances that enable people to live their healthiest lives. Based in Seattle with teams throughout the United States and internationally, Tegria is comprised of more than 3,000 strategists, technologists, service providers and scientists dedicated to delivering value for customers. Founded by Providence, Tegria is committed to creating health for a better world.

Perks and benefits

Top talent deserves top rewards. We've carefully curated a best-in-class benefits package, meant to meet you wherever you are in your life and career.

- **Your health, holistically.** We offer a choice of multiple health and dental plans with nationally recognized networks, as well as vision benefits, a total wellness program, and an employee assistance program for you and your family.
- **Your financial well-being.** We offer competitive wages, retirement savings plans, company-paid disability and life insurance, pre-tax savings opportunities (HSA and/or FSA), and more.
- **And everything in between.** Our lifestyle benefits are unrivaled, including professional development offerings, opportunities for remote work, and our favorite: a generous paid-time-off program, giving you the flexibility to plan a vacation, take time away for illness (or life's important events), and shift your schedule to accommodate those unexpected curve balls thrown your way.

Tegria is an equal employment opportunity employer and provides equal employment opportunity (EEO) to all persons regardless of age, color, national origin, citizenship status, physical or mental disability, race, religion, creed, gender, sex, sexual orientation, gender identity and/or expression, genetic information, marital status, status with regard to public assistance, veteran status, or any other characteristic protected by federal, state or local law. In addition, Tegria will provide reasonable accommodations for qualified

individuals with disabilities. All qualified candidates are encouraged to apply.
