

Payer Services

Tegria provides consulting and technology services to help organizations of all sizes humanize each healthcare experience. Founded by Providence, with teams throughout the United States and internationally, Tegria is comprised of more than 3,500 colleagues who help their customers integrate technology, transform operations, accelerate revenue and optimize care.

Our Payer Services team works with regional health plans, provider-owned health plans and large national payers, as well as federal, state and local government agencies. Tegria's Payer Division is HITRUST CSF certified.

Service Offerings

Our consultants' extensive technical and operational experience help clients successfully select, implement, and optimize IT systems in order to maximize the value of their IT investments.
