Tegria

Optimize Your Core Claims and Administration Systems

Technical and Operational Expertise for TriZetto Facets

With everything riding on your core claims and administration systems, you need a partner with a deep understanding of your business and the evolving industry, as well as the technology expertise to help you drive efficiencies, improve performance, and maximize the return on your investment.

Our Approach

A leader in healthcare consulting, Tegria uses a proven, yet flexible methodology to drive projects to successful, on-time and on-budget completion. We understand that every organization is different, which is why we don't force a plan or process on you or your organization. We take the time to really listen to you and then work with you to develop a plan to help you reach your goals.
